

Curriculum Vitae:

Sharie S. Ono

SUMMARY

With 27 years of professional experience in architectural design and building envelope consulting, Sharie is highly skilled in managing all phases of Architect-Engineer (A/E) projects, as the designer, inspector or construction manager. She has extensive experience working on County, State and Federal institutional projects. She is adept at overseeing multiple projects simultaneously, regardless of complexity. Her portfolio includes a wide range of ground-up projects, repair and remediation projects, building envelope leak investigations, building condition assessments and building defect studies.
